FUNERAL DIRECTORS

EST. 1989

J T Byrne Funeral Directors is a privately owned and independent family funeral directors which was established in 1989 by John & Christine Byrne. After many years serving a large multinational company, John & Christine felt that they could provide a much more caring and sensitive service.

In 1999 John Byrne Jnr joined his mother and father within the family funeral directors, followed by their daughter, Angela in 2010. To this day, J T Byrne Funeral Directors is a truly independent funeral directors owned by the Byrne family.

As one of the only fully qualified firms of funeral directors in Thornton Cleveleys, Fleetwood and Bispham, we can guarantee that you will receive a truly professional service that is provided by local people and which focuses on your needs. We do all we can to help you through the shock of losing a loved one and provide you with the support you need to make it through the difficult days ahead.

FUNERAL FLOWERS

Choosing a floral tribute is an extremely personal decision. J T Byrne Funeral Directors will help and guide you in making your decision by providing this booklet. Using our wealth of experience we have partnered with various florists, whom we have worked with for many years, to give you freedom of choice.

As part of our service, we will discuss with you all the possible options and order the flowers on your behalf. Alternatively we can organise for an experienced florist to visit you in your own home and discuss your requirements personally. Your flowers will be delivered to our premises on the day of the funeral service where they will be handled with the utmost care by our experienced team.

The floral tributes in this booklet are an example of the most popular floral arrangements, however should there be a bespoke arrangement that you would like, please do not hesitate to discuss this with us.

Please note that due to the seasonal availability of flowers it may be necessary to vary individual stems from those shown. Our skilled florists may substitute flowers for one similar in style, quality and value.
