Funeral Service  
Stationery

## Order of Service

An Order of Service assists the smooth running of the funeral as well as being a unique and special keepsake for all your family and friends to remember the person who has passed away. Even those unable to attend the service will be able to privately say goodbye.

Should you want to produce an Order of Service for the funeral of the person who has passed away, we can help you construct and produce a high quality booklet for the ceremony. Your Order of Service can include anything you would want, whether a hymn, photo, reading or something the person who has died would liked to have been remembered for. Please feel free to discuss your requirements with our staff. They will be pleased to guide you through the process and show the styles that are available.

All names, dates and images used in this brochure are fictitious and have been used for display purposes only. People in photos within this brochure are actors. Any resemblance in the brochure to real people (either alive or deceased) is entirely coincidental.

*We would like to create a design that shows Stephen's love of flying his glider on the weekends.*

*We have a photo of his beloved glider but it's on the ground. Can you make it look like it's flying above the clouds?*

*We like the 'Over the Rainbow Design' from the brochure, can this be used as the base and the glider added?*

*Hopefully you can use your magic touch to combine these elements.*

*Many thanks.*
